Dear Jane,

Thanks for your letter. Sorry, I haven't been in touch.

I'm glad you are going to study Russian. I'll be able to help you with this not easy thing. I think, that being bilingual or multilingual is very useful because you can communicate with more people and cultures. In any case, that way you may improve your memory very well. Chinese and Japanese are much more difficult than Russian, but they will be more useful in future.

Well, I'd better go now as I have to do my homework. Write me and tell me which language have you chosen.

Best wishes,
Mikito
